Hello Lisa and Eric,

Just wanted to send you both a quick note thanking you for your time and hosting us this week for the technical tour. I know seeing the finished lagoon last fall was helpful for our builders who will be building in the resort area at Desert Color, but I thought the technical tour this week was even more helpful with our construction guys. Please pass along our appreciation to Josh, David and Craig for their time as well. I am sorry that your attorney did not feel well and hope he is recovering.

I will be in touch shortly to review the TSLA.

With Best Regards,

Brook Cole

Hi Brook,

It was a pleasure meeting you and your team in Dallas. It was great to capitalize on the project's stage to educate all of us, especially your builders.

Based on our discussions, I know the timing for the completion of the lagoon is critical. To ensure we meet these deadlines, I want to plan our legal resources accordingly for the TLSA process. Do you have any timing on when we can expect a first turn of the TLSA?

Any insight would be greatly appreciated. Looking forward to hearing from you.

Regards,  
Eric
